

## VTCT NVQ qualification course information form

This qualification is for an NVQ Hair Extensions Qualification.

Course Title

VTCT Level 3 NVQ Award in Creative Hair Extension Services (QCF)

Course overview (information to help market and promote the course)

An exciting level 3 course in creative hair extensions services which provides hairdressers with the qualification and skills needed to apply hair extensions to your clients and career progression within the hair extensions industry.

The course covers micro-ring & pre-bonded & shrink tube & tape in application methods so you gain knowledge of both hot and cold hair extensions systems ensuring a wide range of skills obtained to meet differing client needs. You will also cover how to identify which products and techniques to use, preparation of client hair, selecting, blending and placing hair extensions to add colour, volume & length for the client and how to complete each service by creatively cutting and finishing the hair. Maintenance of extensions and aftercare also form part of the course.

Who is the course for? (e.g. VTCT Lecturers)

Hairdressers
